Elements

Spells and some weapons carry an element. Against a monster's element it does more or less damage (Ragnarok's table at element level 1). Ember Bolt and Flame Ring are Fire, Frost Shard is Water, Arc Lightning is Wind; normal attacks are Neutral unless the weapon has an element.

Attack ↓ / Monster →	Neutral	Water	Earth	Fire	Wind	Shadow

Monsters

EXP shown is the base value; the game multiplies it ×8 (Base) and ×12 (Job). DEF and MDEF reduce damage by that %. FLEE = Lv + AGI, HIT = Lv + DEX.
